

Post Secondary School Scholarships for Children of Diocesan Clergy

Each spring, the diocesan Board of Trustees awards scholarships for post secondary school studies for the coming academic year to children of clergy in good standing who are serving or are canonically resident in the Diocese of New Hampshire.

Scholarship applications are available for clergy children who will have completed high school or earned a GED and will be enrolling in a:

- four-year bachelor's degree program
- two-year or associate degree program
- short-term vocational or technical studies for industry-recognized credentials
- graduate degree program.

A student is eligible to receive up to 5 annual scholarships during their undergraduate and graduate studies. The scholarships do not have to be received during consecutive years.

Guidelines

All applications and supporting material must be completed and received by the diocese prior to May 1st. Scholarships will be awarded at the May meeting of the Board of Trustees.

In order to receive scholarship assistance, the student must:

- Have been accepted by the institution, college, or university for full time study toward a degree or credential
- Completed the application for scholarship aid from the Trustees
- Applied for scholarship aid from the institution, college, or university. The student will provide their best estimate of grants and loans to be provided by the institution.
- In addition, no scholarship aid will be sent to institutions if that aid is to be deducted from the school's scholarship.

Academic excellence is not a factor in granting awards; however, we do expect students to demonstrate reasonable achievement and a commitment to their chosen field of study. In recent years scholarship awards ranged from \$2,000 to \$5,000.

Applications are due May 1, and may be sent by email to bambrogi@nhepiscopal.org, or by mail to:
